Procedures for Handling Long Idled Dry Container at Discharging Port or Place of Delivery Agent

I. Import Cargo

A. Cargo Arrival Notice

Send cargo arrival notice to Consignee/Notify Party before vessel's arrival.

B. Xth day Notice From Discharge (1st Time Notice)

Our First Notice will start every 7 days by having a telephone communication with Customer and every 15days to have written communication with Customer and POL Agent

1. Send Notification Letter to Consignee/Notify Party if container is uncollected at terminal. (Delivery Order Dept. to follow)
2. Inform loading port/place of receipt agent to send the first Notification to Shipper. (C/S Dept. to follow)
3. Verify the reason and inform YM-CXXX (CC YM-ARRC). (C/S Dept. to follow)

C. Yth day Notice From Discharge (2nd Time Notice) – We determine 30days for the 2nd Time Notice. At this stage our equipment dept. sends officially info for idle container internally and to YM H/O.

1. Verify the status of our original B/L and D/O and inform YM-CXXX (CC YM-ARRC). (C/S Dept. to follow)
2. Send Notification Letter and Abandon Letter to Consignee/Notify Party if container still idled at terminal and request Consignee/Notify Party to sign Abandon Letter. (C/S Dept. to follow)
3. Inform loading port/place of receipt agent to send the second Notification and Abandon Letter to Shipper. Loading port/place of receipt agent shall request Shipper to sign Abandon Letter. (C/S Dept. to follow)
4. Discuss with YM-CXXX (CC YM-ARRC) to seek any way to dispose of the cargo including but not limited to return, auction or destruction. (C/S Dept & Equipment control to follow)

D. Zth day Notice From Discharge (3rd Time Notice) – We determine 45days for the 3rd Time Notice

1. Send Notification Letter and Abandon Letter to Consignee/Notify Party if container is still idled at terminal and request Consignee/Notify Party to sign Abandon Letter. (C/S Dept. to follow)
2. Inform loading port/place of receipt agent to send the third Notification and Abandon Letter to Shipper. Loading port/place of receipt agent shall request Shipper to sign Abandon Letter. (C/S Dept. to follow)

3. Advise YM-CXXX (CC YM-ARRC) for any possible way to solve the case. (C/S Dept. to follow)
4. List the accumulated cost including but not limited to demurrage, storage cost, etc. and inform YM-CXXX (CC YM-ARRC). (C/S Dept. & Sales & Equipment control to follow)

E. Upon completing the above procedures, discharging port/place of receipt agent shall do the following works: (Claim Dept. to follow - We determine 90days for this Time Notice)

1. Send notice to Consignee/Notify Party immediately if cargo disposal (return, auction or destroy cargo) is taken in any period.
2. If the container has still been idled at discharging port/place of delivery for more than XX days after discharge, local Agent consults with their lawyer for evaluating how to proceed to the case and report lawyer's comments to YM-ARRC (CC YM-CXXX). YM-ARRC provides their suggestion/approval to local Agent.
3. Keep tracing the case periodically and report to YM-ARRC and YM-CXXX if the case has lawyer involved.
4. Send copy Invoices to YM-CXXX (CC YM-ARRC) for approval if return, auction or destroy cargo is taken.
5. Send copy legal invoices to YM-ARRC for approval if the case has lawyer involved.
6. All documents, record and information shall be kept in our Agent at least three years.

II . Export and T/S Cargo (Claim Dept. to follow)

A. Cargo has been delivered to YM's terminal, however, it can't be exported due to being seized by Customs. Independent of the free days, upon information from Customs we immediately inform YML HQ and follow their instructions

1. Advise YM-CXXX (CC YM-ARRC) for any possible way to solve the case if the container idled at loading port/place of receipt/T/S port for more than XX days after the free time.
2. List the accumulated cost including but not limited to demurrage, storage cost, etc. and inform YM-CXXX (CC YM-ARRC) if Shipper can't be approached for more than XX days after the free time.
3. If the container still idled at loading port/place of receipt for more than XX days after the free time, local Agent consults with their lawyer to evaluate how to proceed to the case and report lawyer's comments to YM-ARRC (CC YM-CXXX). YM-ARRC provides their suggestion/approval to local Agent.

B. Cargo has been delivered to YM's terminal, however, it can't be exported due to Shipper's reason. (C/S Dept. to follow). Immediately we are in contact in writing with Shipper to advise when cargo will be finally loaded or send back to s/a premises for unstuffing after payment of all possible incurred costs.

1. Send message to Shipper after the free time.
2. If the cargo has not been exported for more than XX days, loading port/place of receipt/T/S port agent shall inform Shipper immediately and return cargo after all cost/expense has been settled.

Remark:

A. Shipper/Consignee/Notify Party Including Freight Forwarder

B. Notice:

1st Time Notice: By E-mail or Fax.

2nd Time Notice: By E-mail or Fax; or By Registered Mail if Shipper/Consignee/Notify Party can't be approached.

3rd Time Notice: By Registered Mail.

C. Notification Letter shall attach YM's tariff for demurrage.
